7.2 - Best Practices

7.2.1 - Describe at least two institutional best practices

The institution follows various practices for overall developmer to create sensitivity, scientific temperament and research in students. Two practices namely organization of Samvidhan San establishment of Avishkar Research Club were initiated in the innovative practice around 10 years ago and with consistency be have been turned to be the best practices of the institution. I details of the same. During the year 2018'19 also both the a performed well creating special impact on the mind of student well. To the best of our knowledge these practices were initia time by our institution. I. The Samvidhan Sandesh Rally With t creating public awareness about Indian constitution and to sens feeling of nationalism fraternity secularism and National dut generation in general and law students in particular to promote constitution the institution every year organizes the Samvidhan the occasion of the Indian Republic Day on 26th January since 2009'10. On 26th January 2019 as practiced every year the rall with kind support of MLGE Society, and, with the involvemer participation of college students, teaching and non-teaching sta started by paying homage to Dr. Babasaheb Ambedkar, the chief Constitution The students while holding the banners on values c philosophy uttered slogans full of feelings of nationalism, na and constitutional values created the charismatic environment, The rally continued approximately three kilo meters circumf periphery of college campus concluded by reading the preamble of in four languages in the college campus. Through this ral institutionally create Constitutional awareness amongst people, of Nationalism etc in the youth, promote Constitutional values a constitutionally sensitive. Though the College has separate bud of Rs. 10000/- for organization of Rally, it is observed in the due to continuous rising price index, the available fund stand mitigating the expenses and to organize rally in a corporate n active involvement of the students, faculty and support staff organization of rally, yet we have not faced the problem of hum media coverage to this activity would certainly help galvanize the constitutional values. II. Avishkar - the Research Club research in all faculties especially social sciences and profes India is always discussed and debated. To cultivate research students and to develop research ambience in the institution Re the name Avishkar has been established in the institution for s academic year 2011'12 and is working to achieve following goals

for development of scientific temperament amongst students, create socio legal research amongst students and provides orientation and methodology and training for working on research projects. Especially in Marathwada region which is considered backward region compared to other regions, it provides opportunities and exposure to Research as a carrier as compared to other fields. Research orientation is given to the students so that they develop research orientation especially the legal research. As mentioned above, a research club is established and active. At the beginning of every year, students are provided an opportunity to register themselves as members of the club. During the year 2018'19 around 180 students were registered in this club. They are provided with the orientation of all the activities conducted throughout the year. For every class one student is nominated. These coordinators are responsible to communicate and inform about the activities of research club. Social media (i.e. whatsapp) is used to reach members of research club. Though few events are organized for college students, some special lectures and research orientation are provided for research club students. Following are some of the activities worth mentioning:

1. Students projects: Students are provided opportunity to choose their own theme for the research work on it and the club also provides platform for them to present their research.
2. Research Competitions: Students are motivated to participate in research competitions. Almost every year students participate in research competition organized by University and Government.
3. Special workshops on research methods and other socio legal causes are also organized every year for the students.
4. Some relevant panel discussions are organized to name few 'Sukhant' with the Marathi movie Maficha Sakshidar, and Marathi Documentary film 'Right to Shelter' in connection with the property law and right to shelter.
5. Students are encouraged to write and present research articles and poster presentation competition also is organized.
6. Since last nine years on the state level workshops are organized by the research club on the various issues such as Role of advocates in protecting human rights, Role of lawyers in protecting human rights, Human rights and right to livelihood, Human rights causes and aftermath, Right to water A human right, Right to shelter.

The research club certainly has helped to create research ambience in the college. Following are some of the indicators every year students participating in research competitions have represented the university level. One student Ms. Neha Kamble was the recipient of Governor's award in Avishkar competition. Thrice during last five years Student Pedgaonkar (Twice), Sneha Botwe have been selected for the state level Competition to represent the University. Students also have participated in university in zonal level Anveshan competition. The Faculty Kottapalle, Coordinator of research club has completed one Major research project with the help of 65 research club student as trained investigators. Late Dr. B.V. Paranjape, Vice principal, and IIT faculty, also had assisted in the above project. Students have written research Articles, participating in Seminar and workshops. Students from the college participate in workshops organized by the Research Club every year. Compilations have been prepared by students, added to the digital repository. During the year 2018'19 Students were provided training

methods where Prof Vibhute K.I. acted as resource person. Arou were benefited. For the research club members the movie show wherein the movie 'Lajja' was shown and discourse on violence followed after the same. During the year 2018'19 the national article writing competition was organized by the college, the participants were assessed by Hon'ble Prof. Surya prakash the Aurangabad, 5 best articles were selected and they were in presentation on human rights sensitization programme hosted by winners were awarded with the prizes on 10th December 2018. I Vaishnavi Nirmal received best research paper award. Anagha selected for Anveshan national level research competition. Mr I Akanksha tiwari were selected for state level Avishkar research Anveshan and Avishkar competition students of this institute University. Thus this year the Research club as earlier years h of the best practices.
