

Report of Internal Committee's Activities: 2020- 2021

In our college we have Internal Complaints Committee from the year 2005. Earlier it was known as Vishakha Cell' and now it is named as "Internal Committee"

Aims and Objectives:

- To prevent sexual harassment in the college.
- To provide for mechanism for redressal of complaints of sexual harassment.
- To ensure healthy educational/working environment for women employees and students.

Generally, in every Academic year, under the internal committee we conduct various activities such as Gender sensitization programme for new students who have entered in the college, self-defence workshop for girls, celebration of International Women's' Day.

During the Academic year 2020-21, due to the Covid situation, only online teaching was there, hence no activity as such was conducted under the internal Committee.

Further, Internal committee has not received any complaint of sexual harassment during the academic year 2020-21.
