Ref. No. MPLCA/2013-'14/Moot Court Invi. /247

Date:12/8/2013

To,

**The Principal/ Registrar /Director / HOD**

**Sir/ Madam,**

It gives me immense pleasure to inform you that since 1977 our College is successfully conducting Moot Court Competition based on brain storming crucial problems. It requires research and studies from students on varied laws. However, since last 13 years our College is conducting this competition at National Level prior to this it was restricted to State Level only. ***This is our 14<sup>th</sup> National Moot Court Competition.*** It was our usual practice that the problems for the competition were set by our faculty. But for the last two years we had called Moot Court Problems from the faculty (Full time / part time) of all law colleges at National level. However, from this year we want to start an innovative practice of calling Moot Court Problems from the **faculty (Full time / part time), Students of all Law Colleges/ Schools and Practicing Advocates at National level.** The best two amongst them would be selected for the Competition by a panel which will consist of Hon'ble Judges of High Court (Retired/ Acting) and Practicing Advocates. The faculty, Advocates and Students whose problems will be selected by the Panel would be specially invited in our college for the felicitation during the Competition. The Travelling allowance and hospitality would also be provided to them.

**This is an invitation to the entire respected faculty and Students of your institution to participate in the activity.** It would be a proud feeling for us, if your esteemed Institution participates in this activity. Hence, you are kindly requested to circulate this invitation amongst the faculties and Students of your institution.

**A draft soft copy of the problem for the forthcoming *XIV National Moot Court Competition- 2014* shall reach us in font 12 and in Times New Roman, Word 2007at [mplcmootproblem@gmail.com](mailto:mplcmootproblem@gmail.com) on or before the 5<sup>th</sup> of October 2013.**

Thanking you.
