## From the Principal's Desk...

Welcome to our Vol. IV of News Letter for the year 2014-15.

We are glad to mention here that recently reputed "Outlook" Magazine has conducted survey of India's Best professional colleges of 2015 and our college stands 20th in the ranking of top 20 professional colleges of law.

I am proud to say that this achievement is only because of the activities and the participation by the students in all the activities conducted by the college. What little work has been done by me and my colleagues is to nurture the citizens of tomorrow who will bring changes in our country.

Obviously, we are committed to ensuring that every student receives the skills, knowledge and experience that will allow them to take the next steps in their lives when they leave this College and with that view only we are taking steps further.

Hence presenting....
