

Every year our college organized national level Power Point Presentation Competition. This year our college organized 4th National Level Power Point Competition on 23rd Jan. 2015.

This competition was brain child of our faculty which was started from 2011. The competition was inspired by PPT presented by our student in our college on smoking and its effect on health. Taking in to consideration the seriousness and impact of various socio legal issues on society we take useful step to make awareness and to sensitizes the student and Society at large about social evil through this competition.

This contest has been designed with the following objectives in mind:

1. To enhance the soft skills amongst students.
2. To develop the art of public speaking.
3. To encourage self learning among students.
4. To stimulate their thinking process and sensitize them towards contemporary social legal problems.
5. To enable them to organize their thoughts and present them in a systematic manner.
6. To get the students familiarized with information technology and use them effectively in the self learning process.

Taking in to consideration above all aspect we send the invitation for this competition in the month of November 2014 and received tremendous response from various law schools from different parts of India.

We received positive response and appreciation from various law schools. We received PPT from 23 colleges out of that we selected 15 teams for final round.
