Prem Ratan

V

State of Aurangabad

The Union of Sindhiya is a Democratic Republic and one of the largest populations in the world. It is a rapidly developing country; however, it has a high crime rate and any open discussion on sexual relationships is still a taboo. The legislation has introduced new Criminal laws w.e.f. 01 July 2024 in the country to counter the crime rate and for speedy justice. The new criminal laws have some special provisions with respect to the sexual offences against women which are profoundly welcomed by the citizens of Sindhiya. Whereas, some criticism was made on the point of sheer misuse of those provisions.

Prem Ratan is a young enthusiastic man living with his joint family and working as a Bank Manager in a reputed nationalised bank in State of Aurangabad. Since college times Prem Ratan was in love with Kalki who is a very ambitious girl currently working as a Company Secretary with a multi-national company. Prem Ratan and Kalki were dating each other since last 08 years. Although, the family structure of Prem Ratan is completely different to that of family structure of Kalki in terms of customs and lifestyle, i.e. Prem Ratan belongs to orthodox joint family whereas Kalki belongs to modern nuclear family, both were seriously looking forward for their pleasant future as a married couple and thereby they engaged in sexual relations multiple times with each other.

On the night of 31 Dec 2023, a friend of Prem Ratan has organised New Year Party wherein Prem Ratan and Kalki were invited. During the party, Kalki has given her cell phone to Prem Ratan while she went to washroom. At that instance, a friend of Kalki named Suhana messaged her wishing happy new year. Prem Ratan has opened that message to reply the wishes and to

his surprise found some serious messages exchanged between Kalki and Suhana evidencing their intimate relationship. Though, Prem Ratan got the knowledge about the sexuality of Kalki, he kept mum and didn't even discuss with Kalki.

Later on, in the month of June 2024, Prem Ratan and Kalki have informed their parents about their relationship and expressed their willingness to marry each other. Kalki's parents have blissfully accepted their relationship but to the other hand Prem Ratan's parents denied to accept their relationship and intimidated Prem Ratan to break the relationship with Kalki.

On 05 July 2024, a gathering of relatives was arranged by parents of Prem Ratan and Kalki on their repetitive requests. The meeting was held upto long time and thereby concluded on the word of Prem Ratan's father that "we will think and let you know soon." The spark of hope was seen after the gathering and hence Prem Ratan and Kalki have decided to celebrate the same. On the very next day, they met each other for dinner where Kalki expressed her anxiety with respect to the Prem Ratan's parent's decision to which Prem Ratan tranquillised her stating that "believe me, my parents will be convinced definitely, and we shall be married soon" and ended up having copulation between them.

The Prem Ratan's father on 12 July 2024 called the father of Kalki and informed that, they are not willing to accept the marriage proposal of Kalki and Prem Ratan, and also asked her father to restrain his daughter from meeting with Prem Ratan. This news shaken Kalki and hurt her feelings. Kalki tried to call Prem Ratan and also tried to meet him but to her surprize, Prem Ratan was unwilling to meet her and avoided her calls as well as messages.

Kalki got in touch with some common friends to know the whereabouts of Prem Ratan which gone in vein and thereby Kalki felt that she has been betrayed by Prem Ratan in their relationship. Consequently, Kalki approached to the Waluj Police Station to file written complaint against Prem Ratan describing the incidence of 06 July 2024 along with the similar past incidences from 2016 to 2024 and stated that Prem Ratan has betrayed her in the name of false promise of marriage.

The Waluj Police Station has registered the FIR bearing No: 123/2024 dated 24 July 2024 against Prem Ratan under sections 64, 69, 76 and 77 of Sindhiya Nyay Sanhita, 2023 as well as sections 354C, 354D and 376 of Sindhiyan Penal Code, 1860.

After registration of FIR, Prem Ratan approached to the appropriate authority and is released on bail. Now, Prem Ratan has approached before the Hon'ble High Court of Aurangabad under Article 226 of the Constitution of Sindhiya raising following issues.

1. Whether First Information Report bearing No: 123/2024 dated 24 July 2024 can be quashed against Prem Ratan?
2. Whether Section 69 of Sindhiya Nyay Sanhita, 2023 is constitutionally valid in terms of rights guaranteed by Part III of the Constitution of Sindhiya?
3. Whether Provisions of Sindhiyan Penal Code, 1860 and of Sindhiya Nyay Sanhita, 2023 can be levelled against the person in a series of offence?

(The laws of Sindhiya are pari materia to the laws of Union of India)

People for Constitutional Ethos (PCE) & Ors

vs.

Union of Chrontica

1. The *Union of Chrontica* (hereinafter referred as *Chrontica*) is a multi-cultural, multi-lingual, multi-religious, multi-racial country geographically located in South Asia having 28 states and 8 union territories. Chrontica had got its independence in 1947 after the 190 years long colonial rule. Chrontica had adopted its Constitution on 26th November 1949 which declared Chrontica as Sovereign, Socialist, Secular, Democratic, Republic.
2. The engineers of the constitution of Chornctica deliberately made it a Quasi-federal in feature having a elaborative distribution of both administrative and legislative power between the center and the states provided under its Seventh Schedule and also a good deal of centralization whereby the central government is having a large sphere of action making it a *Sui-generis* federal structure.
3. Soon after the adoption of the constitution, both the General Elections and the state legislative assembly election in each of the state was conducted simultaneously in year 1951, the next few cycles of elections also witnessed concurrent general elections and the legislative assembly elections, however due to various incidents like the reorganization of the states, mid-term elections in some states and premature dissolution of the Lok Sabha due to varied reasons like National Emergency, hung parliament, etc circumstances changed and the elections were conducted at different time for the Lok-Sabha and every legislative assembly.

4. Numerous citizens and members of the civic society believe the continuous election process in the country is one of the reasons for its slow development as a considerable portion of the budget is spent on the election expenses and the efficient working of the government is hurdled by the Model Code of Conduct.
5. In 2014, saw a rise in its right wing political ideology consequently, the Chrontican People's party (CPP) came to power in center and also won the subsequent General election of 2019 with a strong majority and later in 2024, and a strong leadership, the union government of Chorntica supporting the above mentioned contentions has proposed the **ONE NATION ONE ELECTION POLICY** (here after called ONOE) which imply Voters of the Chorntica will vote for the members of the Lok Sabha and State Assembly on the same day and at the same time.
6. Considering the need of the ONOE the central government constituted a High-Level Committee headed by the former president of Chorntica. The committee submitted its recommendation to the president which stated that simultaneous elections would lead to a fundamental transformation in the electoral process and overall governance
7. The Committee further recommended for 18 amendments to be made in the constitution of Chorntica and other statutes, making of the single electoral Rolls and other steps.
8. Accepting the recommendations made to it by the High-Level Committee the Central Government has proposed two bills “ *THE CONSTITUTION ONE HUNDERED AND TWENTY NINTH AMENDMENT BILL* and *THE ELECTIONS SYNCHRONIZATION BILL 2024*” on 08 October 2024 as the objective to achieve ONOE policy.
9. The bill tends to amend Art. 83, Art. 172, Art. 356, Art. 1, Art. 246 of the constitution of Chorntica and Sec.13D, Sec.15, Sec.21 of the Representation of the People Act 1950. Both the bills were passed by both the houses of parliament and received the assent of the President on 15 October 2024 and the same is been notified in the official gazette.
10. Disappointed by the ONOE policy decision of the central government various Organizations including the opposition parties, People for Constitutional Ethos an NGO and members from the civil society organized peaceful protest and memorandum of public resistance was sent to president.
11. Batch of writ petitions was filled by People for Constitutional Ethos (PCE) an NGO, Mr. Alex social activist and a Member of Parliament, and Mrs. Samaya a renowned lawyer and vocalist of democratic rights. Citing inter alia violation of principle of federalism, parliamentary sovereignty and Basic structure including free and fair

election, participatory democracy, rule of law, etc before the Honorable Supreme Court of Chorntica.

12. In pendent lite of the above writ petition. The state of Shinchal Pradesh a state in Chorntica [where the National Chorntican Party (NCP)] is in power and who is also the single largest opposition party in Lok Sabha] had filed the petition before the Honorable Supreme Court of Chorntica under Art.131 of the constitution citing violation of distribution of powers by the Central Government.
13. The Honorable Supreme Court had clubbed the matters considering them to be arising out of same cause and has listed the matters for the first hearing before itself and will entertain the following issues:
 1. Whether the present petitions are maintainable?
 2. Whether the Acts passed by the Parliament for ONOE are constitutionally valid?
 3. Whether the ONOE infringes on the independence of the state legislature by enforcing uniformity in elections cycles?
 4. Whether the ONOE restricts rights of citizen to have accountable government, minimizing the frequency of elections?

*The laws of Union of Chorntica are in pari material to the laws of Union of India.

*The moot problem is purely hypothetical and meant for education purpose.
